

## Package Three

# 'Your Business Virtual'

So you want to expand to Australia but don't want to move yourself or your staff here? Your Australian Business offers a unique 'Business Virtual' package in a turn-key solution that provides a fully functional Australian business operation for one set fee per month (minimum 6 months).

Utilising the specialised services of our support partner network, communications and office facilities from our alliance partners, Servcorp and a hands on , hassle free business sales, marketing and management strategy you can have a successful Australian operation with offices in one or more capital cities throughout Australia without distracting or disrupting your current business.

Your Business Virtual package includes:

- Virtual office location
- Communications pack
- Operational structure review and back office operations
- Sales strategy 'think tank' session and ongoing implementation
- Marketing creative 'think tank' session and ongoing implementation
- Email/Domain hosting (monthly)
- Local network membership
- Virtual board meetings (quarterly)
- Business management
