

Package One

'Your Business Ignition'

Your Australian Business can have your business set-up and ready to trade in Australia and potentially into South East Asia and the Pacific Rim. Not only will you have a registered company name, an office location and full back office support – you will also have access to a network of 'on the ground' professionals ready to fast track your market entry into this growing economy

Your Business Ignition package includes:

- Registration of a business name
- ABN setup
- Bank account
- Business plan review
- Domain name registration
- Trade mark check
- Insurance review
- Connections with your relevant virtual board
